Figure 1 is a schematic representation of the experimental design. It is divided into three main sections: Pretest, Main Experiment, and Posttest. The Pretest section shows a sequence of Pretest and Posttest blocks. The Main Experiment section shows a sequence of Pretest, Main Experiment, and Posttest blocks. The Posttest section shows a sequence of Pretest and Posttest blocks. The Main Experiment section includes a Main Experiment block and a Posttest block. The Posttest section includes a Posttest block. The Main Experiment section includes a Main Experiment block and a Posttest block. The Posttest section includes a Posttest block.
